Dear Mr Weisberg;

Thank You for the
fine-autographed book-articles
& note. What I have read
so far continues to amaze me.
You are in a class alone - each
book surpasses the former.
Your undespread recognition
& the supression, is so very
very wonderful. As you say,
nothing can stop you or your
hard works now - it is ~~[illegible]~~
going to take you all the way
to the frightening end.

I have very little today -
Gov Connally is going to
Africa "American Safari" - Nice
& safely away from the "action".

Governor Wood has been
released from $10,000.00 bond -
last week - 7-17-67

Gov Connally - On way to
Africa for American Safari - Remember
Dr Walker was in Germany on 11-22-63 -
It makes one wonder -

3/ with him Sat nite I thought he did well – especially under the circumstances – I have more – But if I want enuf I have time to finish all news mail Chet

– Back to Novel – he told my friend he had to pay $6.00 of $45.00 for retrieval of car – + was due at airport in 45 minutes + must leave for D.C. (Washington) with $5.00 in pocket – He said the idea of going to DC – was "worse than surgery"

I've read your book + $45 guests or not – it's unbelievable. Incidently – I have all Cal. D. papers from Nov-22 until 2 weeks past I + Fred had a Jazz shop in Quarter + knows N.O. Jazz people – that Andrews mile no doubt be in contact with –

Inc. check – send all – you have – I can't get enough – Sincerely + thanks as ever – Tom Hatfield

PS

4/ This is all so old now - Novel could be on the moon & back - I re-read my other news - & decided you'd have it all -

My friend at P. S. said Novel was quite charming - & she could see why he could be such a "operator" & get away with it - She said they almost offered him money to supplement his 5.00! But remembered who & what he was & didn't - I worry about Johnie & Joan being rugged - She may have to leave jail yet - but at Thru request.

L.

I hope all my mail goes Thru to you - & lots of long calls on both ends - what a weird & new feeling this is. Fred is getting back on de-bugging.

PS

Please check B-158 - you say Mary Moorman ~~said~~ had no reference ~~if~~ number of shots in her affidavit - I read she says - "She heard three or four shots in all". Does this mean she wasn't specific - or what?
